Dear Pilgrim,

I am absolutely thrilled that you have chosen to be with me on pilgrimage. I look forward to spending time with you!

God touches our lives in so many amazing ways and when we seek him with passion and conviction on pilgrimage, we are making a spiritual investment that will have everlasting rewards.

Pilgrimages provide opportunities for us to seek God together, to receive healing and spiritual renewal, to find mercy and forgiveness, and to renew our identity as Catholics. With me, you will gain deeper insights into your relationship with God, experience glorious holy sites, and spend time praying powerfully for your family, friends, and parish community.

I look forward to being on this incredible journey of faith with you as we discover the richness and beauty of the pilgrim Church. You will experience the awesome power of God's grace that will truly change your life!

Your Brother in Christ,

Deacon Harold Burke-Sivers, M.T.S.
